MR. ANTHONY GRIECO
SUPERINTENDENT OF SCHOOLS

July 7, 2021

Dear Parents:

Although your calendar still says July, the new school year will soon be upon us. As the new Superintendent of the Rockaway Borough School District, I am eager to begin working closely with all of you to help provide your children with an optimal educational experience.

It is with great excitement that I begin my professional journey here in Rockaway Borough. I grew up in Bloomfield, New Jersey, and my educational experience includes the following: Teacher of the Handicapped, Advisor/Coach, Assistant Principal, Principal, Director of Special Services, Director of Athletics, Assistant Superintendent, and Superintendent of Schools. I have learned many things from each of these positions that I am excited to share as your Superintendent.

I am proud to say that we have a talented and devoted staff that has already impressed me with their knowledge, work ethic, and overall skill set. As a unified team, our mission will be to continue to expose our children to 21st century opportunities in the classroom and beyond. It is also imperative that students feel safe and protected at school. The 2020-2021 school year was a challenge for all of us, but I can assure you that the educators in this district worked diligently to make the most out of an extremely difficult situation.

As we begin the 2021-2022 school year, please consistently check our website, district calendar and parent portal for important updates. You will receive e-mail, phone, and/or text alerts from our automated system throughout the school year. Also, you are welcome to follow me on my new Twitter account- [@RockawayBoroBOE](#).

Enjoy the rest of your summer. We look forward to seeing you!

Sincerely,

Anthony Grieco
Superintendent of Schools
