Parents/Guardians,

Rockaway Borough School District now uses Realtime to manage your child's food purchases. This system grants you/us the ability to let you decide how much money from your child's account your child will be allowed to use to purchase additional food or snacks daily. Cash/checks can still be used to make any additional purchases, but to avoid the spread of germs, no change will be returned to your child but rather added to your child's account balance. We highly recommend that you utilize MySchoolBucks (for now) to electronically add funds to your child's account. We will be changing the payment company late September/early October. We will place an announcement on the website when that is happening. You can find the link for MySchoolBucks under the Parents & Students tab, then the Meal Program tab on the district website.

Below you will find prices for items on the menus for this school year. Please take them into consideration when deciding how much additional money per day you want your child to have access to, as this amount is not specifically for snack, but for extra portions, milks, etc.

Student Lunch \$3.65	2 <sup>nd</sup> Entrée (with lunch purchase \$2.70	A la Carte Lunch Entrée \$2.95
Student Breakfast \$2.25		A la Carte Breakfast Entrée n/a
Milk \$1.00	Juice \$1.00	Water \$1.50
Cookies \$.95	Pop Tart (single) \$1.50	Rice Krispy Treat \$1.75
Ice Cream \$1.75 - \$3.25	Welch's Fruit Snacks \$1.25	Baked Snacks/Chips \$1.50

Please complete the section below and return it so we can enter the data into the system. If the form is not returned, we shall assume you do not want your child to make any additional purchases and even if there is money on the account, your child will not be able to access it. The amounts stated below will be for additional purchases per day. Do not include the cost of the lunch.
