# NJSLA- New Jersey Student Learning Assessments- Grades 3-8

In the spring, students participated in the New Jersey Student Learning Assessments (NJSLA) administration to measure their academic performance in English language arts (ELA), mathematics, and science as defined in the New Jersey Student Learning Standards (NJSLS). For decades, New Jersey has used statewide assessments as a valuable instrument for assessing our students' annual progress. After two years of disrupted learning, this year's assessment results are more important than ever.

# **Individual Reports**

## **Parents**

***Parents recently received Individual Student Reports (ISR) for each content in which their child is tested during the Spring 2024 assessment.***
