Rockaway Borough School District Corona Virus Information March 23, 2020

Dear Parents and Families,

I hope this letter finds you and your family safe and healthy especially in light of our current state of affairs.

As communicated at the end of last week, under the Governor's Executive Order, all New Jersey schools were closed until further notice. At this time, I want to confirm that Rockaway Borough Schools will remain closed through our scheduled Spring Break which is April 20th. We will notify you by April 17th if not before, but even at that time, any decision to reopen will be dependent on guidance by the Governor.

Also since all schools will be closed, we regretfully are cancelling Kindergarten Registration slated for this week as well as our upcoming Joint Vaping Night with the Township scheduled for the March 30th.

In the meantime, we will continue with our Virtual Learning Days. Work for this second week is currently posted on our Distance Learning Site via www.rockboro.org with teachers already preparing lessons and materials for the upcoming weeks. Please make sure your child(ren) log on daily by 9:00am and when and if possible monitor their work and online presence. If any time, you or your children need assistance or help, our entire staff (teachers, counselors, therapists, nurses and administration) is available to assist you in any way we can. Also continue to check our website on a regular basis for updated information and announcements.

As always, thank you for your continued support and cooperation, please stay safe and healthy.

Sincerely yours,

Phyllis Alpaugh
Superintendent
