Support Our Thomas Jefferson 8th Graders As They Fundraise for
their 8th Grade events and TJ Goes To Washington, DC!***

Shoprite Gift Card Program

The ShopRite Gift Card Program is a great way to help support our 8th Graders as they fundraise for their end of the year events including an 8th grade dance, graduation, and to go to Washington, DC in late May! We buy the gift cards at a modest 5% discount. The good news is that we all need to buy groceries, so we are asking for you to consider regularly purchasing our ShopRite Gift Cards for your grocery needs.

They can be purchased in person in increments of \$20 with Venmo or Cash.

They can be pre-ordered by paying upfront in increments of \$100 or more with Venmo or Cash.

We need \$1,000 dollars' worth of pre-orders before we can submit to ShopRite to obtain the Gift Cards.

It takes 2-3 days to receive pre-ordered gift cards from ShopRite

Venmo payments to TrevorBasile78: Reference 8th Grade ShopRite Gift Cards
