ROCKAWAY BOROUGH SCHOOLS--NOVEMBER 12, 2018

**CONGRATULATIONS
TO OUR NEW
SCHOOL LEADERS**

SGO OFFICERS MEET TO PLAN FOR THE COMING YEAR

Newly elected Student Government Officers recently met with administration for a "working lunch" to share ideas and plans for the coming school year. Officers in attendance included President Noah Tobias, Secretary Miranda Kawiecki and Treasurer Ava Zeman. Unfortunately, Vice-President, Marissa Dattolo was not present for the meeting. This year's officers were joined by Mr. Waxman, Mrs. Alpaugh and SGO Advisor, Mrs. DeFelice.

As part of the lunch, students shared their ideas and thoughts for some upcoming projects and fund raisers that they feel will truly make a positive difference for all Thomas Jefferson students. Some of the initiatives to be considered include another Stall Day, a "Have a Heart" dance, the addition of more outside classroom space, and the introduction of a student garden somewhere on the TJ campus. Students were also very enthusiastic about the possibility of updating both the boys' and girls' locker rooms.

This year's officers as well as all the Homeroom Representatives will be recognized by the Board of Education at their November meeting where they will be asked to officially begin the meeting.
