A Message from the Principal

During September and October our students have been involved in many school-wide activities. September 24th - 28th was our Week of Respect. The students worked on many projects revolved around the theme of Respect. On September 28th our annual RAMS pep rally took place. Christian Gomez was the overall winner! He received a RAMS tee-shirt, RAMS pin, and certificate. The additional five winners were Trey Russell, Tyler Cerutti, Amelia Yost, Rocco Centrella and Gia Kuber. They received a RAMS pin and certificate. Mrs. Izzo’s class was given the RAMS trophy for being the class-wide RAMS winner.

Our Friday morning walking started on October 5th.

We had our Summer Reading Celebration on October 12th.

October 15th-19th was Peace in Our School Week.

On October 16th the students learned about fire safety. Mr. Tom Trepasso, Rockaway Borough’s Fire Marshal, as well as Mr. Scott Hurley, volunteer fireman, visited Lincoln School with the fire truck. The students learned about the equipment on the fire truck. They loved the visit!

Since the weather is becoming colder please be sure your children are dressed appropriately. Thank you.

I hope you and your family have a wonderful Thanksgiving.

Till next time.....

What’s going on in Spanish Class?

¡Hola! ¿Cómo estás? ¿Bien? ¿Mal? In Spanish class we have been working on greetings and answering how are you and what is your name. The older grades have been learning the Spanish speaking countries for Hispanic Heritage Month. Did you know that there are 21 of them? See if your child can name a few for you. Looking forward to a fun year in Spanish class!

Welcome back to W.I.N.

Our program started the beginning of this month and all our intervention groups are in full swing! Thank you to all the parents that attended W.I.N. Night on October 23rd. We had our biggest turn-out ever! If you couldn't make it, and you have any questions, please reach out to me. I would be happy to discuss our program. You can also check out any of our websites for more information about our program. Please follow W.I.N. on Twitter-@nmccarter25. Kindergarten students are working on their letter sounds and counting to ten. First graders are learning about blends and using doubles to add. Second graders are learning about twin letters and adding double digit numbers. Third graders are writing about their experience making popcorn and multiplying in math.

Thank you!
