

PARENTS.... THE SCHOOL LUNCH MENU IS NOW AVAILABLE AS AN INTERACTIVE MENU THROUGH POMPTONIAN!!

We will no longer be posting a lunch menu as we used to on our website, but you can still access it from our website in a few easy steps. It will be an interactive menu where you can click on any item on the lunch menu and get nutritional information at any time. You can print it out for your convenience. Just follow these easy steps:

- ☞ Go to our website www.rockboro.org
- ☞ Click on the *Meal Program* tab
- ☞ Click on *Pomptonian Links* on the left side of the page
- ☞ When the page opens click on *Pomptonian Links*
- ☞ Click on *Menus* at the top of the page
- ☞ Click on *Click here to view Interactive Menus*
- ☞ Under "Find Your Location" type in *Rockaway Borough*
- ☞ Choose the school you wish to view – either Lincoln or TJ
- ☞ Read the supply chain message and close
- ☞ Select the menu you wish to view – either Breakfast or Lunch
- ☞ Click on *View Menu*

That's it!! Enjoy the use of the new Interactive Menus and if you have any questions, please feel free to reach out to your school's cafeteria manager.
