Dear Families of 6th, 7th and 8th Graders,

We are excited to announce that we have expanded our 1:1 Chromebook Initiative so that all 6th-8th graders will be bringing devices home each night. On Monday, August 27th at 7pm, in the Thomas Jefferson School gymnasium, we will be holding a Parent Academy focusing on the 1:1 Chromebook Initiative. This Academy is mandatory for parents/guardians of all 6th grade students and the Academy is optional for those of 7th and 8th grade students. The Academy will be hosted by Mrs. Phyllis Alpaugh, Superintendent, Mrs. Jamie Argenziano, Supervisor of Curriculum and Instruction, Mr. David Waxman, Principal of Thomas Jefferson School and Mr. Shaun Reyes, Director of Technology.

This will be an informative session reviewing the entire overview of the upcoming 1:1 Chromebook Initiative, a great learning initiative for our students. We will cover all topics including expectations, Chromebook distribution and responsibilities during this session. Handouts will be distributed to all in attendance, of which some of these will need to be signed and handed in when picking up the Chromebooks on the below distribution dates. You may come and go as you please on the below dates/times. An RSVP is not needed. A parent/guardian must sign out their child's Chromebook on **one** of the below distribution dates. Chromebooks will not be signed out to students. If a parent/guardian cannot be present on one of those dates, please call the Thomas Jefferson Main Office to make an appointment at a later date.

Chromebook distribution dates will be:

- Tuesday, August 28th, 5pm-7pm
- Wednesday, August 29th, 10am-2pm

We look forward to seeing you all on the evening of August 26th and look forward to your partnership in this initiative.

Warm Regards,

David Waxman
