

It is the policy of the Rockaway Borough Board of Education to admit children into kindergarten who has reached the age of five on or before October 1 and must be toilet trained.

Registration for children eligible to enter kindergarten in September 2020 will be held on March 24 and March 25 in the Lincoln School cafeteria from 9:00 a.m. to 10:30 a.m. Children should *not* accompany parents to this registration. It is important for parents to register their children on these dates. This will provide us with vital information in planning the 2020 / 2021 kindergarten classes. Eligible students must be 5 years of age before October 1, 2020.

To officially register a child for kindergarten, a parent must submit the following. All residency documentation, birth certificate and immunization records must be attached to your registration forms, as we cannot process your forms without them and they will be returned to you.

(Please check off as you get this information together so that you will be prepared for registration).
