In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. Upon certification of any tenure charge to the Commissioner of Education, the Board of Education may suspend the person against whom such charge is made, with or without pay. However, if the determination of the tenure charge by the arbitrator is not made within one hundred twenty calendar days after certification of the tenure charges, excluding all delays which are granted at the request of such person, then the full salary (except for said one hundred and twenty days) of such person shall be paid beginning on the one hundred twenty-first day until such determination is made.

Conduct of Reduction in Force

## 3146 CONDUCT OF REDUCTION IN FORCE

When teaching staff member positions have been abolished, in accordance with Board Policy No. 3112, the Board of Education will transfer and/or dismiss affected teaching staff members as required by law.

No tenured teaching staff member will be transferred or dismissed in a reduction in force affecting a category of employment in which a nontenured teaching staff member is employed. When two or more nontenured teaching staff members are employed within the category affected by a reduction in force, the nontenured teaching staff member(s) shall be retained in that category who has demonstrated greater competence.

Tenure and seniority entitlements will govern the transfer and dismissal of tenured teaching staff members affected by a reduction in force, except that, when two or more tenured teaching staff members within the same employment category affected by a reduction in force possess an identical seniority entitlement to that category, the teaching staff member(s) shall be retained in that category who has demonstrated greater competence.

The Superintendent shall collect and maintain the information requisite to the calculation of each tenured teaching staff member's seniority status. The Superintendent shall develop and maintain district seniority lists and shall recommend dismissals and transfers in a reduction in force in accordance with those lists. No seniority list shall be a public document or published in the absence of a reduction in force or reemployment from a preferred eligible list.

Teaching staff members affected by a reduction in force will be informed of their seniority status and of the effect of the reduction in force on their employment, as promptly as possible after the Board's action to abolish positions. Wherever possible, the Board will give sixty days' notice of a pending dismissal. If notice cannot be given a full sixty days before the end of the employee's service, salary in lieu of notice will be given for the remaining notice period beyond the end of service.

## 3150 DISCIPLINE

The Board of Education directs all teaching staff members to observe statutes of the State of New Jersey, rules of the State Board of Education, policies of this Board, and duly promulgated administrative rules and regulations governing staff conduct. Violations of those statutes, rules, policies and regulations will be subject to discipline.

The Superintendent shall deal with disciplinary matters on a case-by-case basis. Discipline measures will include verbal and written warnings as appropriate and will provide, wherever possible, for progressive penalties for repeated violations. Penalties may include suspension, withholding one or more increments, and dismissal.

In the event disciplinary action is contemplated, notice will be given to the teaching staff member in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based; the text of the statute, policy, or rule that the member is alleged to have violated; a date when the member may be heard and the administrator who will hear the matter; and the penalty that may be imposed.

Withholding an Increment

## 3152 WITHHOLDING AN INCREMENT

Advancements on the salary guide, including annual employment and adjustment increments, are not automatically granted and must be earned by satisfactory performance. Advancements require favorable evaluations of the employee's performance of assigned duties, a satisfactory attendance record, and adherence to the rules of this district and high standards of professional conduct.

The Board of Education may determine, by recorded roll call majority vote of the full membership and at any time prior to the commencement of the school year or contract year in which the employee's salary will vest, to withhold any or all of the increments indicated by the salary guide or by Board policy. In no case will the Board withhold a portion of an increment.

The Board shall, within ten days of its formal action to withhold an increment, give written notice to the affected employee of both the action and the reason or reasons for which it was taken.

The purpose of the Board in withholding increments is to improve the educational program and encourage the highest possible professional performance of its employees. Accordingly, all reasonable efforts will be made to inform employees of any deficiencies that may result in the withholding of an increment and to assist them in the correction of those deficiencies.

An increment withheld may be restored only by action of the Board. Nothing in this policy shall limit the right of a successor Board to restore an employee from whom an increment or increments have been withheld to that place on the salary guide he/she would have achieved had the increment or increments not been withheld.

### 3159 TEACHING STAFF MEMBER/SCHOOL DISTRICT REPORTING RESPONSIBILITIES

The Board of Education and all certificate holders shall adhere to the reporting requirements outlined in N.J.A.C. 6A:9B-4.3 and N.J.S.A. 18A:16-1.3. For the purpose of this Policy, “certificate holders” shall include all individuals who hold certificates, credentials, certificates of eligibility (CEs), and certificates of eligibility with advance standing (CEASs) issued by the New Jersey State Board of Examiners. For purposes of this Policy, the term “certificate” shall include all standard, emergency and provisional certificates, all credentials, and all CEs and CEASs issued by the New Jersey State Board of Examiners.

All certificate holders shall report an arrest or indictment for any crime or offense to the Superintendent within fourteen calendar days of their arrest or indictment in accordance with the provisions of N.J.A.C. 6A:9B-4.3. The report submitted to the Superintendent shall include the date of arrest or indictment and charge(s) lodged against the certificate holder. Such certificate holders shall also report to the Superintendent the disposition of any charge within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed “just cause” for revocation or suspension of certification pursuant to N.J.A.C. 6A:9B-4.4. The school district shall make these reporting requirements known to all new employees upon initial employment and to all employees on an annual basis.

The Superintendent shall notify the New Jersey State Board of Examiners when:

1. Tenured teaching staff members who are accused of criminal offenses or unbecoming conduct resign or retire from their positions;
2. Nontenured teaching staff members, including substitute teachers, who are accused of criminal offenses or unbecoming conduct resign, retire, or are removed from their positions;
3. A certificate holder fails to maintain any license, certificate, or authorization that is mandated pursuant to N.J.A.C. 6A:9B for the holder to serve in a position;
4. The Superintendent becomes aware that a certificate holder has been convicted of a crime or criminal offense while in the district’s employ; or
5. The Superintendent has received a report from the Department of Children and Families substantiating allegations of abuse or neglect, or establishing “concerns” regarding a certificated teaching staff member.

The school district shall cooperate with the New Jersey State Board of Examiners in any proceeding arising from an order to show cause issued by the New Jersey State Board of Examiners and based on information about the certificate holder that the school district provided.

The Superintendent shall also notify the New Jersey State Board of Examiners, in accordance with the provisions of N.J.S.A. 18A:16-1.3, whenever a nontenured, certificated employee is dismissed prior to the end of the school year for just cause as a result of misconduct in office. This notification requirement shall not apply in instances where the employee's contract is not renewed. The Superintendent will comply with the additional notice requirements to the New Jersey State Board of Examiners in the event it is subsequently determined by a disciplinary grievance arbitration, a court, or an administrative tribunal of competent jurisdiction that the basis for the dismissal did not constitute misconduct in office. In addition, whenever the Superintendent notifies the New Jersey State Board of Examiners of an employee's dismissal for reasons of misconduct in accordance with the provisions of N.J.S.A. 18A:16- 1.3, the employee shall receive a simultaneous copy of the notifying correspondence.

In the event the Board of Education determines, pursuant to a tenure charge finding under N.J.S.A. 18A:6-10 or a disorderly person conviction under N.J.S.A. 9:6-8.14, that a teaching staff member has failed to report an allegation of child abuse in accordance with State law or regulations, the Board shall submit a report to the New Jersey State Board of Examiners that outlines its findings. The New Jersey State Board of Examiners shall review the certification of the teaching staff member to determine if the teaching staff member's failure to report warrants the revocation or suspension of his/her certificate. In accordance with N.J.S.A. 9:6-8.14, any person failing to report an act of child abuse, having reasonable cause to believe that an act of child abuse has been committed, may be deemed a disorderly person.

## 3211 CODE OF ETHICS

The Board of Education endorses the code of ethics for professional educators published by the National Education Association (**NEA**).

### Preamble

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nature of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues; of students; of parent(s); and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics of the Education Profession indicates the aspiration of all educators and provides standards by which to judge conduct.

The remedies specified by the NEA and/or its affiliates for the violation of any provision of this Code shall be exclusive and no such provision shall be enforceable in any form other than one specifically designated by the NEA or its affiliates.

### Principle I – – Commitment to the Student

The educator strives to help each student realize their potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the educator:--

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning.
2. Shall not unreasonably deny the student access to varying points of view.

5. Shall not intentionally expose the student to embarrassment or disparagement.
6. Shall not, on the basis of any of the protected categories listed at N.J.A.C. 6A:7-1.1(a), unfairly:
  - a. Exclude any student from participation in any program;
  - b. Deny benefits to any student; or
  - c. Grant any advantage to any student.
7. Shall not use professional relationships with students for private advantage.
8. Shall not disclose information about students obtained in the course of professional service, unless disclosure serves a compelling professional purpose or is required by law.

## Principle II – – Commitment to the Profession

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards to promote a climate that encourages the exercise of professional judgment, to achieve conditions which attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation to the profession, the educator:—

Consulting Outside the District

## 3211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that teaching staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from teaching staff members from other school districts, agencies and other entities, the Board supports sharing of its teaching staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a teaching staff member's attendance in another school district, agency or other entity without additional remuneration to the teaching staff member or school district, upon a written request from the agency or from the teaching staff member.

The Board of Education recognizes teaching staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a teaching staff member serves as a paid consultant, the teaching staff member is not permitted to use normal work hours for any paid consulting activities. The teaching staff member must complete any paid consulting activities on their own time to include vacation days, evenings, weekends, and/or school holidays.

### 3212 ATTENDANCE (M)

The regular and prompt attendance of teaching staff members is an essential element in the efficient operation of the school district and the educational program. Teaching staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a teaching staff member's job performance.

Teaching staff members shall provide notice for the use of sick time as required in N.J.S.A. 18A:30-4 and Policy and Regulation 1642.01 in accordance with the district's procedure for teaching staff members to report the use of sick leave and other absences. A teaching staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with statute, administrative code, or Board policy; falsifies the reason for an absence; is absent without authorization; is repeatedly tardy; or accumulates an excessive number of absences may be subject to appropriate consequences, which may include, but not be limited to, the withholding of a salary increment, termination, nonrenewal, and/or certification of tenure charges.

Sick leave is defined in accordance with N.J.S.A. 18A:30-1 and Policy and Regulation 1642.01. No teaching staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for by statute; administrative code; collective bargaining agreement; an individual employment contract; or the policies of the Board. The Superintendent or Board of Education may require verification to be filed with the Secretary of the Board in order to obtain sick leave in accordance with the provisions of N.J.S.A. 18A:30-4 and Policy and Regulation 1642.01.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among teaching staff members. The review will include the collection and analysis of attendance patterns, the training of teaching staff members in their attendance responsibilities, and the counseling of teaching staff members for whom regular and prompt attendance is a problem.

### 3214 CONFLICT OF INTEREST

The Board considers the presentation of gifts to staff members by pupils and their parents an undesirable practice, because it tends to embarrass pupils with limited means and gives the appearance of currying favor.

Based on the foregoing premise, it is the policy of the Board that staff members may accept gifts of nominal value from pupils or parents.

The Superintendent may approve acts of generosity to individual staff members in unusual situations.

Upon the recommendation of the Superintendent, the Board shall consider as appropriate, the presentation of token gifts to retiring members of the staff who have rendered outstanding service for an extended period of time and who have earned the high regard of other staff members and the community.

USE, POSSESSION, OR DISTRIBUTION OF SUBSTANCES

### 3218 USE, POSSESSION, OR DISTRIBUTION OF SUBSTANCES (M)

The Board of Education recognizes a teaching staff member who reports to work under the influence of a substance poses a significant threat to their health, safety, and welfare and the health, safety, and welfare of others, including students and other staff members. The Board strongly advises any teaching staff member that has a dependency on a substance as defined in this Policy to seek appropriate treatment. The Board has an obligation and the right to maintain a safe and healthy work environment and adopts this Policy as an important component toward maintaining a safe environment in the school district.

For the purpose of this Policy, “substance” or “substances” as defined in N.J.S.A. 18A:40A-9 and N.J.A.C. 6A:16-4.1(a) means alcoholic beverages; any controlled dangerous substances, including anabolic steroids as defined in N.J.S.A. 24:21-2 and N.J.S.A. 2C:35-2; any chemical or chemical compound which releases vapors or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes as defined in N.J.S.A. 2C:35-10.4; and over-the-counter and prescription medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.

A teaching staff member shall be required to submit to an immediate medical examination to include a substance test if the Principal or designee has reasonable suspicion to believe a teaching staff member is under the influence of a substance during work hours or at a school-sponsored function where the teaching staff member has been assigned job responsibilities. Refusal by a teaching staff member to consent to the medical examination including a substance test will be deemed a positive test result for substances. In the event the results of the medical examination and substance test are not provided to the Superintendent, within twenty-four hours or as soon as the test results are available, it will be deemed a positive test result for substances and the teaching staff member shall be subject to appropriate discipline. Any required medical examination and testing shall be paid for by the Board.

In the event the Board physician determines the teaching staff member was under the influence of a substance, the determination shall be reported to the Superintendent and the teaching staff member will be subject to appropriate discipline. Appropriate discipline may include, but not be limited to, withholding an increment, terminating a non-tenured teaching staff member, and/or filing tenure charges for a tenured teaching staff member in accordance with law. The teaching staff member will be afforded the opportunity to have positive test results confirmed using acceptable confirmation test practices. This confirmation test shall be paid for by the teaching staff member.

In the event a teaching staff member’s medical examination and substance test results are negative for a substance or if the Board physician determines the teaching staff member was not under the influence of a substance, the results or determination shall be reported to the Superintendent and the teaching staff member shall be returned to their position unless the Superintendent has a reason the teaching staff member should not be returned to their position.

### P 3230 OUTSIDE ACTIVITIES

The Board of Education recognizes that teaching staff members enjoy a private life outside their job responsibilities in the school district. The Board believes the role of the teaching profession is such that teachers exert a continuing influence away from the school district. Any staff member who takes students of this district on a trip not approved by the Board or Superintendent shall clearly and concisely inform the parent(s) of any student solicited and/or attending such a trip that the trip is not endorsed, supported, approved, or authorized by the Board of Education. A staff member shall not solicit students on school grounds for trips not approved by the Board or Superintendent;

The Board of Education recognizes its responsibility to protect the health, safety and welfare of all students within this school district. Furthermore, the Board recognizes there exists a professional responsibility for all school staff to protect a student's health, safety and welfare. The Board strongly believes that school staff members have the public's trust and confidence to protect the well-being of all students attending the school district.

In support of this Board's strong commitment to the public's trust and confidence of school staff, the Board of Education holds all school staff to the highest level of professional responsibility in their conduct with all students. Inappropriate conduct and conduct unbecoming a school staff member will not be tolerated in this school district.

The Board recognizes and appreciates the staff-student professional relationship that exists in a school district's educational environment. This Policy has been developed and adopted by this Board to provide guidance and direction to avoid actual and/or the appearance of inappropriate staff conduct and conduct unbecoming a school staff member toward students.

School staff's conduct in completing their professional responsibilities shall be appropriate at all times. School staff shall not make inappropriate comments to students or about students and shall not engage in inappropriate language or expression in the presence of students. School staff shall not engage in inappropriate conduct toward or with students. School staff shall not engage or seek to be in the presence of a student beyond the staff member's professional responsibilities. Inappropriate conduct by a school staff member outside their professional responsibilities may be considered conduct unbecoming a staff member. Therefore, school staff members are advised to be concerned with such conduct which may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other medium that is directed and/or available to students or for public display.

A school staff member is always expected to maintain a professional relationship with students and to protect the health, safety and welfare of school students. ### 3282 USE OF SOCIAL NETWORKING SITES / Page 1 of 3

The Board of Education has a strong commitment to quality education and the well-being of all students, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all students attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to students or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, students, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on harassment, student relationships, conduct, professional communication, and confidentiality.

When using personal social networking sites, school staff members:

### 3310 ACADEMIC FREEDOM

The curriculum adopted by the Board of Education is designed to address the educational goals established for this school district and to meet the needs of pupils. The course guides prepared for each course of study describe the material to be covered in each course and, in general, the approach to be employed by the teaching staff member responsible for the course.

The Board recognizes that some deviation from the course guide is necessary to the free exchange of ideas within the classroom. Exposure to a wide range of ideas encourages the spirit of inquiry that is essential to the learning process; the thorough examination of those ideas aids pupils in developing powers of reasoning and in acquiring habits of academic discipline.

The Board directs that the discussion of any issue not specifically covered by the course guide be conducted in an unprejudiced and dispassionate manner. The Board will not condone classroom discussion that is unrelated to the educational goals of this district or to the subject of the course of study, disrupts the educational process, does not match the maturity level of the pupils, neglects to inform pupils of various responsible points of view on the subject under discussion, or fails to take into account the sensibilities of the community.

#### 3321 ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND RESOURCES BY TEACHING STAFF MEMBERS

The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow teaching staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by teaching staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Superintendent to effect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that telecommunications will allow teaching staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal papers and effects in these facilities or school district-owned property.

Sexual Harassment

### 3362 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the United States Equal Employment Opportunity Commission or the New Jersey Division of Civil Rights. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation No. 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees and agents of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

Teaching Staff Member Tenure

## 3370 TEACHING STAFF MEMBER TENURE

The Board of Education recognizes that the benefit of tenure is conferred by law on teaching staff members who have completed the requisite period of probationary service in this school district. The Board also recognizes that certain service does not qualify the teaching staff member who performs that service for the grant of tenure.

Tenure in any administrative or supervisory position as listed in N.J.S.A. 18A:28-5 shall accrue only by employment in that administrative or supervisory position. Tenure so accrued will not extend to any other administrative or supervisory position and nothing shall limit or restrict tenure rights which were or may be acquired pursuant to N.J.S.A. 18A:28-6.

The Board specifically directs that service in the following positions will not accrue toward the tenure status and will be performed only under contract renewable at the discretion of the Board:

1. Substitute teacher acting in the absence of another employee;
2. Summer school teacher;
3. Co-curricular advisor;
4. Athletic coach; and
5. Department chairperson other than a supervisor.

Nothing in this policy will be deemed to confer tenure on any employee who serves in a position not listed above and for whom tenure is not provided by law.

Protection Against Retaliation

## 3381 PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;
2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Superintendent shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

## 3421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes teaching staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a teaching staff member entitled to overtime pay is designated as "non-exempt." A teaching staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt teaching staff members to express breast milk for their nursing child. The non-exempt teaching staff member shall coordinate such breaks with their immediate supervisor. The non-exempt teaching staff member will not receive compensation during this break time unless the break time is during a non-exempt teaching staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt teaching staff members. However, exempt teaching staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt teaching staff member's duty free lunch period or duty free break period during the workday, the exempt teaching staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to

the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

### 3425 WORK RELATED DISABILITY PAY

The Board of Education will permit, in accordance with law, the absence without loss of pay or of annual or accumulated sick leave benefits of a teaching staff member disabled by accident or injury arising out of and in the course of employment. Any such employee shall seek the workers' compensation benefits to which he/she is entitled by law.

An employee whose disability has qualified for the receipt of workers' compensation benefits shall be presumed eligible for work related disability pay under this policy. When an employee's disability is so brief as to preclude the employee's application for workers' compensation benefits, the employee may request and the Board may grant work related disability pay.

Any employee who qualifies for work related disability pay under this policy will be entitled to receive full pay during the period he/she is on disability leave of absence, for up to twelve consecutive months.

As a condition of receiving full salary, an employee who receives workers' compensation benefits for his/her work-related disability must endorse and deliver to the Board all workers' compensation temporary disability checks received for the period covered by this policy.

Modified Duty Early Return to Work  
Program – Teaching Staff Members

### 3425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – TEACHING STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the \_\_\_\_\_, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;

Uncompensated Leave

## 3431 UNCOMPENSATED LEAVE

The Board of Education recognizes, under certain circumstances, that the interests of the school district and of an individual employee may be served by the employee's extended absence from the school district for a purpose other than disability.

Except as may be otherwise provided by negotiated agreement, the Board reserves the right to establish the conditions under which uncompensated leaves of absence may be taken. An extended leave of absence may be granted for the purpose of study, childcare, recuperation, a special work assignment, or such other purpose as will tend to serve the best interests of the school district. No leave will be granted for a period of time longer than one school year, but may be extended following annual consideration by the Board.

The Board reserves the right to require that the commencement and termination of an extended leave be such as to cause the least interruption to the instructional program of the schools. Wherever possible, partial year leaves of absence will begin and end at a division in the academic calendar and will cause not more than one interruption in teaching continuity during the school year in which the leave is taken.

A person absent from district service on an extended leave of absence does not enjoy a direct employment relationship with the Board, and the period of the leave will not accrue toward tenure and seniority, except as expressly permitted by law. No such person will receive compensation or benefits during the period of the leave.

Nontenured teaching staff member granted an uncompensated leave of absence of one year's duration or more shall be informed that such leave will invalidate prior service for the purpose of the accrual of tenure.

Whenever possible, an uncompensated leave of absence will be granted for a time certain. When an employee cannot foretell the date on which the leave will terminate, the employee shall inform the Board not less than eight weeks in advance of the anticipated date of return to district employment.

Family Leave

### A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in a twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, **or because of any qualifying exigency arising out of the fact that the staff member's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible staff members may take up to a combined total of twenty-six workweeks in a single twelve month period to care for a covered service member with a serious injury or illness.**

NJFLA leave for teaching staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

### B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.
3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR Part §785. - a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care [**Board option – may or may not**] be taken by a staff member intermittently or on a reduced leave schedule.
- b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.
- c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken cannot exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.
- d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall

provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

- f. "Instructional employees" as defined in 29 CFR §825.600(c) are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired. Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers and/or bus drivers are not considered instructional employees for the purposes of this policy. Semester as defined in 29 CFR §825.602(a)(3)(b) means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. A school district can have no more than two semesters in a school year.

F. Notice

1. Federal Family and Medical Leave Act (FMLA)

- a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the \_\_\_\_\_ if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice “as soon as practicable” which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days’ notice “as soon as practical” ordinarily would mean at least verbal notification to the \_\_\_\_\_ within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

When planning medical treatment, the staff member must consult with the \_\_\_\_\_ and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the \_\_\_\_\_ prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days’ notice for foreseeable leave with no reasonable excuse for the delay.

## I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes, and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

In the event the Board requires such a fitness-for-duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.**

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board’s right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member’s control.

## J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a “key employee” as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member’s own serious health condition. A “key employee” is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. In the event the \_\_\_\_\_ believes that reinstatement may be denied to a key employee, the \_\_\_\_\_ must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

## 2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered service member or to make arrangements for changes in care. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.

New Jersey's Family Leave Insurance Program

### 3431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.

An employee will be required to use up to ten workdays of earned vacation, personal, or other earned leave in connection with a period of paid leave from the NJFLI. In accordance with N.J.S.A. 18A:30-1, sick leave is only to be used for personal disability due to illness or injury and therefore may not be used for NJFLI purposes.

## 3435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not covered by the terms of a negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at birth, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after birth, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in the educational program in accordance with Policy No. 3431. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.
