### 4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the school district that support staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

### 4146 NONRENEWAL OF NONTENURED SUPPORT STAFF MEMBER

The Board will not withhold its approval for arbitrary and capricious reasons. A nontenured support staff member who is not recommended for renewal by the Superintendent is deemed nonrenewed.

Prior to notifying the support staff member of the nonrenewal, the Superintendent will notify the Board of the recommendation not to renew the support staff member's contract and the reasons for the recommendation. The Superintendent may notify the Board in a written notice or in executive session at a full Board meeting. In the event the Board is notified in executive session, the Superintendent will comply with the requirements of the Open Public Meetings Act and provide reasonable notice to the staff member their employment will be discussed in executive session in order for the support staff member to exercise their statutory right to request a public discussion.

The Superintendent shall notify each support staff member to whom reemployment will not be offered in writing on or before May 15. The support staff member whose contract is not renewed has the right to a written statement for the reasons for nonrenewal, provided the request for the statement of reasons is made within fifteen days of the Superintendent's written notification of nonrenewal to the support staff member. The statement of reasons shall be provided to the staff member within thirty days after the receipt of the request. The nontenured support staff member shall have the right to an informal appearance before the Board to permit the staff member an opportunity to convince the members of the Board to offer reemployment, provided that a request for such an appearance is received within ten days after the support staff member receives the statement of reasons provided by the Superintendent.

The Board is not required to offer reemployment or vote on reemployment after an informal hearing with a support staff member who was not recommended for reemployment by the Superintendent. ### 4160 PHYSICAL EXAMINATION

The Board of Education requires each newly employed support staff member undergo a physical examination. The physical examination shall also include a health screening to include height and weight; blood pressure; pulse and respiratory rate; vision screening; hearing screening; and Mantoux test for tuberculosis.

A support staff member may provide health status information, including medications, which may be of value to medical personnel in the event of an emergency requiring treatment. The staff member may also choose to share with the Principal and, if desired, with the certified school nurse, information regarding current health status to assure ready access in a medical emergency. School employee physicals, examinations and/or annual medical updates do not require screening or disclosure of HIV status.

The physical examinations required by this policy shall be limited to those assessments or information necessary to determine the individual's physical and mental fitness to perform with reasonable accommodation in the position he/she seeks or currently holds and to detect any health risks to pupils or other employees.

Physical examinations required by this policy may be conducted by a physician or institution designated by the Board or, at the employee's election, by a physician or institution designated by the employee and approved by the Board. The cost of any such examination conducted by the physician or institution designated by the Board shall be borne by the Board. ## 4161 EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any support staff member who shows evidence of deviation from normal physical or mental health.

The Superintendent shall recommend to the Board the examination of any support staff member whose physical or mental condition so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A support staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The support staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the support staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a support staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the support staff member.

## 4211 ATTENDANCE

Employee attendance is an important factor in the successful operation of any school district and in the maintenance of the continuity of the educational program. The Board of Education is vitally and continually interested in the attendance of each employee and considers satisfactory attendance an important criterion of satisfactory job performance.

The privilege of district employment imposes on each employee the responsibility to be on the job on time every scheduled working day. This responsibility requires that the employee maintain good health standards, take intelligent precautions against accidents both on and off the job, and manage personal affairs in order to satisfy district attendance requirements.

The Board is required by the high costs of absences and disrupted work schedules to give continuing attention to the maintenance of regular attendance by employees. Chronic absenteeism and tardiness are subject to discipline and may be cause for dismissal.

The Superintendent shall develop regulations to implement this policy.

## 4211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that support staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from support staff members from other school districts, agencies and other entities, the Board supports sharing of its support staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a support staff member's attendance in another school district, agency or other entity without additional remuneration to the support staff member or school district, upon a written request from the agency or from the support staff member.

The Board of Education recognizes support staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a support staff member serves as a paid consultant, the support staff member is not permitted to use normal work hours for any paid consulting activities. The support staff member must complete any paid consulting activities on their own time to include vacation days, evenings, weekends, and/or school holidays.

The support staff member must comply with the New Jersey School Ethics Act N.J.S.A. 18A:12-21 et seq. and, if required, must comply with financial disclosure requirements of N.J.S.A. 18A:12-24 and 12-25.

No support staff member of the Board of Education shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity which is in conflict with the proper discharge of the support staff member's duties.

No support staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No support staff member of the Board shall act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest.

No support staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the support staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to support staff members by pupils and their parent(s) or legal guardian(s), because it may embarrass pupils with limited means and give the appearance of currying favor.

The Board directs that support staff members instruct pupils to express their appreciation by means other than gifts.

Support staff members may receive gifts of only nominal value from pupils or their parent(s) or legal guardian(s).

The Superintendent may approve an act or gift of appreciation to an individual support staff member when special circumstances warrant.

## 4218 SUBSTANCE ABUSE

The Board of Education recognizes that chemical dependency is an illness which is preceded by the misuse and/or abuse of alcohol, anabolic steroids, and other drugs. The Board recognizes that the use/misuse of alcohol, anabolic steroids, and other drugs, and the problems associated with it, are becoming increasingly commonplace in today's society. It is generally accepted that alcoholism and other chemical dependencies are illnesses that can be treated successfully if they are identified as early as possible, and if appropriate treatment is promptly instituted. The Board believes that the therapeutic approach to the problem is more effective than one which is solely punitive in nature.

For purposes of this policy, "substance" shall mean:

1. All controlled dangerous substances as defined and prohibited in New Jersey Statutes and Codes;
2. All chemicals which release toxic vapors as defined and prohibited in New Jersey Statutes and Codes;
3. All alcoholic beverages; and
4. Anabolic steroids.

### Standard of Conduct

The Board clearly prohibits the unlawful possession, use, or distribution of illicit substances, drugs, alcohol, and/or anabolic steroids on school premises or as part of any of its activities by any employee of the district as well as reporting to the workplace under the influence of any illicit substances, drugs, alcohol, and/or anabolic steroids. Compliance with this standard of behavior is mandatory.

The Board will make every effort to educate its employees regarding the misuse of illegal substances, alcohol, drugs, and anabolic steroids. Further, the Board will assist and provide guidance to an employee who is having a problem concerning the abuse of these substances on how to receive additional help and counseling.

Commercial Driver Controlled Substance and  
Alcohol Use Testing

The Omnibus Transportation Employee Testing Act requires all operators of commercial motor vehicles subject to the Commercial Drivers License requirements to be tested for controlled substances and alcohol. Federal regulations of the U.S. Department of Transportation require that school bus drivers as well as drivers of private carriers of passengers contracted by the Board be required to submit to alcohol and controlled substance testing in accordance with 49 C.F.R. Part 40. The Board designates the School Business Administrator/Board Secretary as the Designated Employer Representative (DER) of the Board of Education. The Board may contract with a service agent to provide the testing services as required by Federal Regulations.

No driver at any work site will possess, manufacture, use, sell, or distribute any quantity of any controlled substance, lawful or unlawful, which in sufficient quantity could result in impaired performance, with the exception of substances administered by or under the instructions of a physician. No driver shall perform safety-sensitive functions within four hours after using alcohol and the district will not permit a driver that used alcohol within four hours of performing safety-sensitive functions to perform such functions if the district has actual knowledge of the use.

### Violations

Any violation of this policy may result in discipline, up to and including termination.

### Prohibited Substances

The presence of any of the following controlled substances in the body, as evidenced by the results of the initial screening and subsequent confirmatory analysis provided in the policy, is prohibited for any employee assigned to a classification covered by this policy. All cutoff concentrations are as per 49 C.F.R. 40.87 and are expressed in nanograms per milliliter (ng/mL).

### Categories of Testing

For the purpose of this policy, the occurrence of the following circumstances/instances shall require an employee to submit to a controlled substance and alcohol screening:

#### 1. Pre-Employment Testing

An individual who has applied for and has been selected to operate a Board vehicle shall, before beginning employment with the Board, submit to a controlled substance screening in conjunction with any required physical examination as per Policy No. 4160. Such screening shall be conducted in accordance with the procedures set forth in this policy and 49 C.F.R. 40. No individual receiving a positive confirmed test result will be employed by the Board.

An exception to the pre-employment screening may be made if the prospective employee:

- a. Has participated in a controlled substance testing program that met the requirements of 49 C.F.R. 382 et seq. within the previous thirty days and while participating in that program either:
  - (1) Was tested for controlled substances within the past six months (from the date of application to the commission), or
  - (2) Participated in the random controlled substances testing program for the previous twelve months (from the date of application to the commission), and

- (3) The DER must ensure that no prior employer, to the DER's knowledge, has records of a violation of a controlled substance testing program within the previous six months.

If an individual is so exempted, the Designated Employer Representative (DER) shall contact the alcohol and/or controlled substances testing program in which the driver participated and obtain the following information in accordance with 49 C.F.R. 382.301(c):

- a. Name and address of the program;
- b. Verification of the driver's participation;
- c. Verification that the program conforms to federal guidelines;
- d. Verification the driver qualified and did not refuse to be tested for controlled substances;
- e. The date the driver was last tested for controlled substances; and
- f. The results of any tests taken within the last six months and any other violations.

An individual who has applied for and has been selected to operate a Board vehicle or any existing employee transferring into a new position now required to operate a Board vehicle, shall submit a written consent authorizing the commission to obtain the following information from other employers who have employed the employee during any period during the two years before the date of the individual's application date or transfer into the new position. The written consent from the individual will permit the Designated Employer Representative (DER) to obtain the following information from previous DOT-regulated employers:

- a. Alcohol tests with a result of 0.04 or higher alcohol concentration;
- b. Verified positive drug tests;
- c. Refusals to be tested (including verified adulterated or substituted drug test results);

- d. Other violations of DOT agency drug and alcohol testing regulations; and
- e. With respect to any employee who violated a DOT drug and alcohol regulation, documentation of the employee's successful completion of DOT return-to-duty requirements (including follow-up tests). If this information is not available from the previous employer, the DER must seek to obtain this information from the individual.

The DER will obtain and review this information before the employee first performs any driving and/or safety-sensitive functions. If this is not feasible, the DER will not permit the individual to work after thirty days from the individual's first date of employment in the position unless the DER has obtained or made and documented a good faith effort to obtain this information.

### 2. Random Testing

A covered employee shall be subject to submit to alcohol and controlled substance testing on an unannounced and random basis resulting from the selection by a random generation methodology in accordance with 49 C.F.R. 383.305(i). Random testing will be spread reasonably throughout any given calendar year.

The minimum annual percentage rate for random alcohol testing shall be 10% of the average number of drivers. The minimum rate of random controlled substances testing shall be 50% of the average number of drivers. These rates may be adjusted as determined by the FHWA (Federal Highway Administration) Administrator in accordance with 49 C.F.R. 382.305.

Drivers shall only be random tested when performing safety-sensitive functions or immediately prior to or immediately following the performance of safety-sensitive functions.

### 3. Post-Accident Testing

The involvement by an employee in a motor vehicle collision while operating a Board vehicle when such accident results in property damage or personal injury, may trigger a post-accident drug and alcohol test.

As soon as practical following an occurrence, the DER will require post-accident alcohol screening for each of the surviving drivers:

- a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or
- b. Who receives a citation within eight hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
  - (1) Bodily injury to any person, who, as a result of the injury immediately receives medical treatment away from the scene of the accident; or
  - (2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.
- c. If the alcohol test is not administered within two hours following the accident, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the accident, the DER shall cease attempts to administer the alcohol test and shall prepare and maintain the same record. Records shall be submitted to the FMCSA upon request.

As soon as possible following an occurrence, the district will require post-accident controlled substance screening for each of the surviving drivers:

- a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or
- b. Who receives a citation within thirty-two hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
  - (1) Bodily injury to any person, who, as a result of the injury immediately receives medical treatment away from the scene of the accident; or

- c. If the controlled substance test is not administered within thirty-two hours following the accident, the DER shall cease attempts to administer the controlled substance test and shall prepare and maintain the same record. Records shall be submitted to the FMCSA upon request.

A driver who is subject to post-accident testing shall remain readily available for such testing or be deemed to have refused to submit for testing. A driver who is injured in an accident and requires medical care, shall submit to post-accident drug and controlled substance testing by the medical care facility providing the treatment or a designee of the Board if the facility is unable to provide the testing. Nothing herein shall be construed to prevent the driver from leaving the scene of the accident for the period required to obtain necessary assistance or to obtain emergency medical care.

#### 4. Reasonable Suspicion Testing

The DER may require a driver to submit to an alcohol and/or controlled substance test when the driver is observed by a supervisor or school official who is trained in accordance with 49 C.F.R. 382.603 and causes the observer to have reasonable suspicion to believe the driver has violated 49 C.F.R. 382 et seq. Reasonable suspicion must exist to require the driver to undergo a test and must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the driver. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Reasonable suspicion alcohol testing is authorized only if the required observations are made during, just preceding, or just after the period of the work day the driver is required to be in compliance with the testing requirements of 49 C.F.R. 382 et seq.

Reasonable suspicion testing may be required of a driver while the driver is performing, just before the driver will perform or just after the driver has ceased performing safety-sensitive functions.

If the alcohol test is not administered within two hours following the determination a reasonable suspicion test is required, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the determination, the DER shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test.

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech and performance indicators of alcohol misuse. The driver will also not be able to perform or continue to perform safety-sensitive functions until an alcohol test is administered and the driver's concentration measures less than 0.02 or twenty-four hours have elapsed following the determination that reasonable suspicion existed to require an alcohol test.

A written record of the observations leading to a reasonable suspicion test shall be made and signed by the supervisor and/or school official that made the observations. This record shall be made within twenty-four hours of the observed behavior or before the results of the test are released, whichever is earlier.

### 5. Return to Duty Testing

The commission is not required to return an employee to a safety-sensitive position upon receipt of a confirmed drug and/or alcohol test.

The Designated Employer Representative (DER) may recommend to the Superintendent of Schools the individual's employment be terminated depending on the circumstances.

In the event the DER does not recommend termination, the DER shall ensure that before a driver returns to duty requiring the performance of a safety-sensitive function, the driver shall undergo a return to duty alcohol test indicating a breath alcohol concentration of less than 0.02 and a controlled-substances test with a result indicating a verified negative result for controlled-substances use as required in 49 C.F.R. 40.305.

Drivers permitted to return to duty are required to take return-to-duty tests and shall be evaluated by a Substance Abuse Professional (SAP). These individuals must participate in an assistance program prescribed by the SAP and as required in 49 C.F.R. 40 Subpart O.

The SAP will determine a written follow-up testing plan for any individual who has been permitted to return to work and has successfully complied with the SAP's recommendations for education and/or treatment. Such employees are subject to a minimum of six unannounced, follow-up drug screenings and alcohol tests over the following twelve months. The testing shall not exceed sixty months. Alcohol follow-up testing shall be performed only when the driver is performing safety-sensitive functions or immediately prior to performing or immediately after performing safety-sensitive functions. All follow-up testing will be completed in accordance with 49 C.F.R. 40.307. The SAP will comply with all reporting requirements of 49 C.F.R. 40.311.

### Medical Review Officer (MRO) Notifications

The Board shall employ or contract with a medical review officer who is a licensed physician (M.D. or D.O.) and shall designate the Medical Review Officer as the individual responsible for receiving laboratory results generated by the testing program. The medical review official shall have knowledge of substance abuse disorders and have appropriate medical training to interpret and evaluate the individuals confirmed positive test together with his/her medical history and other biomedical data. The Medical Review Officer will perform all functions and responsibilities as required in 49 C.F.R. 49 Subpart G.

### Employer Notification

The Medical Review Officer may report controlled substances test results to the DER by any means of communication; however, a signed, written notification must be forwarded within three business days of the completion of the Medical Review Officer's evaluation. The Medical Review Officer must report all drug test results to the employer. The MRO may use a signed or stamped and dated legible photocopy of Copy 2 of the CCF to report test results or a written report that must include, at a minimum, the information required in 49 C.F.R. 40.163.

### Split Specimen Tests

Split specimen testing will be conducted in accordance with 49 C.F.R. 40 Subpart H. Under split-sample collection procedures, the driver has seventy-two hours from the time of notification of a positive result to request the MRO to order a test of the split specimen. If the driver does not request a split specimen test within seventy-two hours, the driver may present to the MRO information documenting that serious injury, illness, lack of actual notice of the verified test result, inability to contact the MRO, or other circumstances unavoidably prevented the individual from making a timely request.

If the split specimen is unavailable or appears insufficient, the laboratory will continue the testing process of the primary specimen as the laboratory would normally. The laboratory will report the results for the primary specimen without providing the MRO information regarding the unavailable split specimen. In the event the MRO requests the split specimen be forwarded to another laboratory, the laboratory will report to the MRO the split specimen is unavailable for testing and the laboratory will provide the MRO with as much information as possible about the cause of the unavailability.

### Designated Collection Facility

The Board shall designate the facility to be used for the collection of the specimen; provided, however, that the designated facility shall possess all required licenses and permits. The collection site will take place in a facility meeting the requirements of 49 C.F.R. 40 Subpart D. The DER will ensure the collection site meets the security requirements of 49 C.F.R. 40.43.

### Designated Screening Laboratory

The Board shall designate the laboratory to which collected fluid samples will be forwarded for drug/alcohol screening. Drug testing laboratories must be certified by the Department of Health and Human Services (HHS) under the National Laboratory Certification Program (NLCP) for all testing required under 49 C.F.R. 40. The laboratory will perform all responsibilities as required in accordance with 49 C.F.R. 40 Subpart F.

### Specimens

The normal screening methodology for controlled substances shall be urinalysis, collected by a representative of the Board at a designated site. The presence of alcohol will be determined by an Alcohol Screening Device (ASD) or an Evidential Breath Testing Device administered by an individual certified in accordance with 49 C.F.R. 40.211 and 49 C.F.R. 40.213.

### Refusal to Submit

A driver will be deemed as refusing to take a drug test as described in 49 C.F.R. 40.191. As per 49 C.F.R. 40.191, an individual refuses to take a drug test if he/she:

1. Fails to appear for any test (except a pre-employment test) within a reasonable time, as determined by the DER, consistent with applicable DOT agency regulations, after being directed to do so by the DER;
2. Fails to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;

# POLICY

3. Fails to provide a urine specimen for any drug test required by this policy. An employee who does not provide a urine specimen because he or she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
4. Fails to permit the observation or monitoring of providing a specimen in the case of a directly observed or monitored collection in a drug test;
5. Fails to provide a sufficient amount of urine when directed, and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;
6. Fails or declines to take a second test the DER or collector has directed the individual to take;
7. Fails to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under Sec. 40.193(d). In the case of a pre-employment drug test, the individual is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment;
8. Fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process); or
9. If the MRO reports the driver had a verified adulterated or substituted test result.

If an individual refuses to participate in a part of the testing process, the collector or MRO, must terminate the portion of the testing process, document the refusal on the CCF (including in the case of the collector, printing the employee's name on Copy 2 of the CCF), immediately notify the DER by any means (e.g., telephone or secure fax machine) that ensures that the refusal notification is immediately received. A referral physician (e.g., physician evaluating a "shy bladder" condition or a claim of a legitimate medical explanation in a validity testing situation) must notify the MRO, who in turn will notify the DER. In addition, the collector must note the refusal in the "Remarks" line (Step 2), and sign and date the CCF. The MRO must

note the refusal by checking the “refused to test because” box (Step 6) on Copy 2 of the CCF, and add the reason on the “Remarks” line. The MRO must then sign and date the CCF. When the driver refuses to take a non-DOT test or to sign a non-DOT form, the driver has not refused to take a DOT test. There are no consequences under DOT agency regulations for refusing to take a non-DOT test.

### Record of Negative Screening

An employee required to submit to an alcohol and/or controlled substance screening as provided in this policy and whose screening results are negative may, at their option, have their personnel file documented to reflect the negative result.

### Prescription Drugs

All bus drivers shall notify the DER of the use of any prescription drugs. The Board may require certification from the prescribing physician that the use of the prescription drug will not have an adverse affect on the driver’s ability to properly perform safety-sensitive functions.

### Consequences to Drivers Engaging in Prohibited Conduct

An employee whose screening produces a positive result for a prohibited substance:

1. Shall not be permitted to perform safety-sensitive functions;
2. Shall be advised by the DER of resources available to them in evaluating and resolving problems associated with the misuse of alcohol or the use of controlled substances;
3. Shall be evaluated by a substance abuse professional who shall determine what assistance, if any, is needed to resolve problems with alcohol or controlled substance use;
4. Undergo, before returning to duty, a return to duty alcohol test indicating a breath level of less than 0.02 if the conduct involved alcohol or a controlled substance test with a verified negative result;

6. Be subject to unannounced follow up alcohol and/or controlled substance abuse testing;
7. Be subject to the disciplinary policy and regulations of the Board.

## Return-to-Work Agreement

An employee who has returned to work and who fails to comply with any of the terms of the Return to Work Agreement shall be subject to termination.

## Maintenance and Retention of Records

The DER shall maintain and retain all records as required by federal regulation. Records shall include at least the following:

1. Records Related to the Collection Process
  - a. Collection logbooks (if used);

Outside Activities

## 4230 OUTSIDE ACTIVITIES

The Board of Education recognizes that employees enjoy a private life outside the school in which they enjoy associations and engage in activities with others for a variety of personal, economic, religious, or cultural reasons. The Board believes that school employees exert a continuing influence away from the school. Further, the Board has directed the evaluation of staff in terms of their faithfulness to and effectiveness in discharging district duties. Accordingly, the Board reserves the right to determine when activities outside the school interfere with an employee's performance and the discharge of the employee's responsibilities to this district.

The Board directs that all employees be governed in their activities outside the school by the following guidelines:

1. Employees should not devote time during the working day to an outside activity without valid reason, and they should not solicit or accept customers for private enterprises on school premises or during the school day without the express permission of the immediate supervisor;

The Board will not endorse, support, nor assume liability for any employee who conducts a private activity in which pupils or employees of this district participate;

2. Employees shall refrain from public utterances or conduct that have an adverse or harmful effect upon the school community or interfere with the harmonious working relationships expected of district employees;
3. Copyrights and patents to materials or equipment developed, written, prepared, processed, or tested by employees in the performance of their school district duties reside with and may be claimed by the Board.

Inappropriate Staff Conduct

## 4281 INAPPROPRIATE STAFF CONDUCT

The Board of Education recognizes its responsibility to protect the health, safety and welfare of all pupils within this school district. Furthermore, the Board recognizes there exists a professional responsibility for all school staff to protect a pupil's health, safety and welfare. The Board strongly believes that school staff members have the public's trust and confidence to protect the well-being of all pupils attending the school district.

In support of this Board's strong commitment to the public's trust and confidence of school staff, the Board of Education holds all school staff to the highest level of professional responsibility in their conduct with all pupils. Inappropriate conduct and conduct unbecoming a school staff member will not be tolerated in this school district.

The Board recognizes and appreciates the staff-pupil professional relationship that exists in a school district's educational environment. This Policy has been developed and adopted by this Board to provide guidance and direction to avoid actual and/or the appearance of inappropriate staff conduct and conduct unbecoming a school staff member toward pupils.

School staff's conduct in completing their professional responsibilities shall be appropriate at all times. School staff shall not make inappropriate comments to pupils or about pupils and shall not engage in inappropriate language or expression in the presence of pupils. School staff shall not engage in inappropriate conduct toward or with pupils. School staff shall not engage or seek to be in the presence of a pupil beyond the staff member's professional responsibilities. School staff shall not provide transportation to a pupil in their private vehicle or permit a pupil into their private vehicle unless there is an emergency or a special circumstance that has been approved in advance by the Building Principal/immediate supervisor and the parent/legal guardian.

The Commissioner of Education has determined inappropriate conduct by a school staff member outside their professional responsibilities may be considered conduct unbecoming a staff member. Therefore, school staff members are advised to be concerned with such conduct which may include, but are not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other medium that is directed and/or available to pupils or for public display.

A school staff member is always expected to maintain a professional relationship with pupils and school staff members shall protect the health, safety and welfare of school pupils. A staff member's conduct will be held to the professional standards established by the New Jersey State Board of Education and the New Jersey Commissioner of Education. Inappropriate conduct or conduct unbecoming a staff member may also include conduct not specifically listed in this

In addition, school personnel having reasonable cause to believe a pupil has been subjected to child abuse or neglect or acts of child abuse or neglect as defined under N.J.S.A. 9:6-8.10 are required to immediately report to the Division of Youth and Family Services in accordance with N.J.A.C. 6A:16-10.1 et seq. and inform the Building Principal or immediate supervisor after making such report. Reports may be made in writing or with verbal notification. The immediate supervisor or Building Principal will notify the Superintendent of Schools of all reports, including anonymous reports. Acceptable Use of Computer Network(s)/Computers and  
Resources by Support Staff Members

### 4321 ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND RESOURCES BY SUPPORT STAFF MEMBERS

The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow support staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by support staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Superintendent to effect training of support staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that telecommunications will allow support staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Board retains the right to restrict or terminate support staff members access to the computer network(s)/computers at any time, for any reason. The Board retains the right to have the Superintendent or designee monitor network activity, in any form necessary, to maintain the integrity of the network(s) and ensure its proper use.

The Rockaway Borough Board of Education recognizes a school support staff member may have the need to make a personal telephone call during their workday when the telephone call cannot be made before the staff member reports to work and/or after the staff member's workday has concluded.

In the event the staff member has an occasion to make a personal telephone call during their workday, and the telephone call is of such a nature that it cannot be made before the staff member's workday begins or after the workday has concluded, the school staff member may make a personal telephone call using their personal communication device during the workday provided the telephone call is made during the staff member's free lunch/break periods and is made outside the presence of pupils in an area inside the school building designated the staff member's Building Principal or immediate supervisor.

Grievance**

## 4340 GRIEVANCE

The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of support staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Superintendent; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

A grievant may use personal leave time when it becomes necessary to process a grievance during the working day. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

### Level One

Within three working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

The written appeal will include a copy of the original grievance; the decision rendered, if any; the name of the grievant's representative, if any; and a clear, concise statement of the reasons for the appeal of the decision.

The Superintendent shall present a decision to the grievant within seven working days. If no decision is rendered within that time limit, the grievant may appeal to the next level.

## **Level Three**

A grievant not satisfied with a decision at Level Two may appeal that decision in writing to the Superintendent within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Superintendent will include copies of the original grievance, the appeal of that grievance at Level Two, and the decision, if any, rendered at Level Two. Sexual Harassment

## 4352 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline, which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the New Jersey Division on Civil Rights or to the United States Equal Employment Opportunity Commission. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

## 4381 PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;
2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

**4425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM –  
SUPPORT STAFF MEMBERS**

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the School Business Administrator/Board Secretary, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;

Family Leave

## A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in ~~a any~~ twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, **or because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty).** In addition, eligible employees may take up to a combined total of twenty-six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

## B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

#### Family Leave

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.
3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

- c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the \_\_\_\_\_ if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the \_\_\_\_\_ within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

#### Family Leave

When planning medical treatment, the staff member must consult with the \_\_\_\_\_ and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the \_\_\_\_\_ prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.

- b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the \_\_\_\_\_ for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the \_\_\_\_\_ within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.

#### 2. New Jersey Family Leave Act (NJFLA)

- a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the \_\_\_\_\_ of the need to take family leave except where the need to take family leave is not foreseeable.
  - (1) Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the **staff member** shall provide such notice that is reasonable and practicable.

- (3) When the is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.

- b. Unforeseeable Leave - When the need for leave is not foreseeable, the staff member must provide notice "as soon as practicable" which shall be at least verbal notice to the \_\_\_\_\_ within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the \_\_\_\_\_, but any verbal notice must be followed by written notice delivered within \_\_\_\_\_ working days.

#### G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The \_\_\_\_\_ shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

#### H. Benefits

**Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable. 29 CFR §825.100**

The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the **staff member** would normally receive if they had been working at the end of the school year.

#### I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes, and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

#### Family Leave

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

**The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness-for-duty examination from his/her health care provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness-for-duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.**

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member's control.

#### J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."

#### Family Leave

In the event the \_\_\_\_\_ believes that reinstatement may be denied to a key employee, the \_\_\_\_\_ must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

#### 2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. ##### 1. Federal Family and Medical Leave Act (FMLA)

The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; **or for a servicemember's qualifying exigency or serious injury; or for illness** due to the staff member's own serious health condition, that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. **The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §825.124**

The certification must meet the requirements of 29 CFR §§825.306, **309, and 310** to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will

The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the \_\_\_\_\_ doubts the validity of the certification, in accordance with 29 CFR ~~Section~~ §825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 30 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the \_\_\_\_\_ every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the \_\_\_\_\_ if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR §825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

New Jersey Family Leave Insurance Program

### 4431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.

An employee will be required to use up to ten workdays of earned vacation, personal or other earned leave in connection with a period of paid leave from the NJFLI. In accordance with N.J.S.A. 18A:30-1, sick leave is only to be used for personal disability due to illness or injury and therefore may not be used for NJFLI purposes.

## 4435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not otherwise covered by the terms of the negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at parturition, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after parturition, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in district operations. Whenever possible, partial year leaves of absence will begin and end at divisions in the academic calendar and will cause not more than one interruption in employment continuity during the school year in which the leave is taken. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. For the purpose of this Policy:

1. Travel Expenditures - means those costs paid by the school district using local, State, or Federal funds, whether paid directly by the school district or by employee reimbursement, for travel by school district employees and/or Board of Education members to training and seminars, conventions and conferences, regular school district business, and retreats.
