8140 PUPIL ENROLLMENTS

The Board of Education recognizes that efficient district operations require an accurate and up to date accounting of the number of pupils resident in this district and enrolled in district classes and programs.

Pupil attendance shall be recorded in the school register during school hours on each day the school is in session. Separate registers shall be kept for pupils attending preschool, Kindergarten, grades one through five, grades six through eight, grades nine through twelve, each preschool class for the disabled, each class for the disabled, shared-time classes for regular pupils, shared-time classes for pupils with disabilities, full-time bilingual education programs and vocational day programs, summer schools operated by the district, and any other programs as required by the New Jersey Department of Education and N.J.A.C. 6A:32-8.1(d).

For the period beginning the first day the pupil is unable to attend school and ending the day before the first instructional day at the pupil's place of confinement, the pupil shall be marked absent. No absences will be recorded for the pupil while on home instruction, providing the hours of instruction are no less than required by N.J.A.C. 6A:14-4.8 and 4.9. The number of possible days of enrollment for a pupil on home instruction shall be the same as for other pupils in the program in which the pupil is enrolled.

Such records shall be made and maintained as will enable the Board to plan program and facilities development, make appropriate allocation of district resources, and receive the district's maximum amount of State and federal aid.

The Superintendent or designee shall annually and in accordance with the timelines established by the Commissioner, file a report with the Commissioner stating the school district's enrollment.

Government Record or Record (N.J.S.A. 47:1A-1.1)

“Government records” or “records” pursuant to N.J.S.A. 47:1A-1.1 include any record that has been required by law to be made, maintained, or kept on file by the Board, its officials, or its employees. Except as such records that may be exempted by law or this policy, a “government record” or “record” means any paper, written or printed book, document, drawing, map, plan, photograph, microfilm, data processed or image processed document, information stored or maintained electronically or by sound-recording or in a similar device, or any copy thereof, that has been made, maintained or kept on file in the course of the official business of the Board of Education or that has been received in the course of the official business of the Board of Education.

Board meeting minutes may be inspected and copied as soon as they are prepared; unapproved minutes will be so labeled. Minutes of executive/closed session Board meetings conducted in accordance with the Open Public Meetings Act will be preserved separately and will not be available for immediate public inspection. These minutes will be integrated with minutes of public meetings only after the matter discussed at the executive/closed session meeting has been made public.

A “government record” or “record” does not include inter-agency or intra-agency advisory, consultative, or deliberative material.

A “government record” or “record” does not include excluded information as outlined in N.J.S.A. 47:1A-1.1. The excluded information includes, but is not limited to, information which is deemed to be confidential as per N.J.S.A. 47:1A-1 et seq. Victims’ records; trade secrets and proprietary commercial or financial information; any record within the attorney-client privilege; administrative or technical information regarding computer hardware, software and networks which, if disclosed, would jeopardize computer security; emergency or security information or procedures for any buildings or facility which, if

Information generated by or on behalf of the Board or Board employees in connection with any sexual harassment complaint filed within the Board or with any grievance filed by or against an individual or in connection with collective negotiations, including documents and statements of strategy or negotiating position; information which is a communication between the district and its insurance carrier, administrative service organization or risk management office; information which is to be kept confidential pursuant to court order and that portion of any most documents which discloses the social security number, credit card number, unlisted telephone number or driver license number of any person; and personnel and pension records of an individual, except the individual's name, title of position, salary, payroll record, length of service, date of separation and the reason therefore, the amount and type of pension he/she receives, and data, other than detailed medical or psychological information, that shows conformity with qualifications for employment and pensions are examples of excluded government records.

Test questions, scoring keys and other examinations for employment or for pupil achievement; information concerning individual pupil records or information regarding grievance or disciplinary proceedings against a pupil to the extent disclosure would reveal the identity of the pupil and all other information as defined in N.J.S.A. 47:1A-1 et seq.

Public Right of Inspection, Copies and Fees (N.J.S.A. 47:1A-2 et seq.)

All government records or records as defined in N.J.S.A. 47:1A-1.1 will be deemed to be public records. Every citizen of this State also has the right, during such regular business hours and under the supervision of a representative of the custodian, to copy such records by hand, and will also have the right to purchase copies of such records.

Copies of records will be made available upon the payment of such price as established below:

First page to tenth page.....	\$0.75 per page
Eleventh page to twentieth page.....	\$0.50 per page
All pages over 20.....	\$0.25 per page

If the custodian finds there is no risk of damage or mutilation of such records and it would not be incompatible with the economic and efficient operation of the office and the transaction of public business therein, he/she may permit any citizen who is seeking to copy more than 100 pages of records to use his own photographic process. This process must be approved by the custodian, upon the payment of a reasonable fee, considering the equipment and the time involved, to be fixed by the custodian at not more than \$50.00 per day.

Records of Investigation In Progress (N.J.S.A. 47:1A-3 et seq.)

Records which are sought to be inspected, copied, or examined pertain to an investigation in progress by the Board and/or administration will be inspected, copied and/or examined pursuant to N.J.S.A. 47:1A-3.

The custodian will permit the record to be inspected, examined, and copied pursuant to N.J.S.A. 47:1A-5 et seq. by any person during regular business hours. In the case of a Board of Education having a total district enrollment of 500 or fewer, the custodian will permit the records to be inspected, examined and copied during not less than six regular business hours over not less than three business days per week or the entity's regularly-scheduled business hours, whichever is less, unless the government record is exempt from public access as per N.J.S.A. 47:1A-5.a.

Copy Purchase (N.J.S.A. 47:1A-5 et seq.)

If the custodian can demonstrate its actual costs for duplication of a government record exceed the Board approved rates, the district is permitted to charge the actual cost of duplicating the record. Whenever the nature, format, manner of collation, or volume of a government record embodied in the form

of printed matter to be inspected, examined, or copied pursuant to this policy is such that the record cannot be reproduced by ordinary document copying equipment in ordinary business size or involves an extraordinary expenditure of time and effort to accommodate the request, the district will charge, in addition to the actual cost of duplicating the record, a special service charge that will be reasonable and will be based upon the actual direct cost of providing the copy or copies. The custodian will provide the requestor an opportunity to review and object to the charge prior to it being incurred.

A custodian will permit access to a government record and provide a copy thereof in the medium requested if the district maintains the record in that medium. If the district does not maintain the record in the medium requested, the custodian will either convert the record to the medium requested or provide a copy in some other meaningful medium. If a request is for a record in a medium not routinely used by the district; not routinely developed or maintained by the district or requiring a substantial amount of manipulation or programming of information technology, the district will charge, in addition to the actual cost of duplication, a special charge that will be reasonable and based on the cost for any extensive use of information technology, or for the labor cost of personnel providing the service, that is actually incurred by the district or attributable to the district for the programming, clerical, and supervisory assistance required, or both.

Immediate access ordinarily will be granted to budgets, bills, vouchers, contracts, including collective negotiations agreements and individual employment contracts, and public employee salary and overtime information.

The custodian will adopt a form for the use of any person who requests access to a government record held or controlled by the district. The request form will include information in accordance with the requirements of N.J.S.A. 47:1A-5.f. Requests for access to a government record will be in writing and hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the custodian and the custodian will promptly comply with a request in accordance with N.J.S.A. 47:1A-5.g.

Any officer or employee of the district who receives a request for access to a government record will forward the request to the custodian of the record or direct the requestor to the custodian of the record.

A custodian will post prominently in public view in the part of the office of the custodian that is open to or frequented by the public a statement that sets forth in clear, concise and specific terms the right to appeal a denial of, or failure to provide, access to a government record by any person for inspection, examination, or copying or for purchase of copies thereof and the procedure by which an appeal may be filed.

Managing Electronic Mail

8311 MANAGING ELECTRONIC MAIL

School district e-mail messages, like paper records, must be retained and destroyed according to established records management procedures as required by New Jersey's Division of Archives & Records Management (NJDARM). E-mail messages are electronic documents created and sent or received by a computer system. This definition applies equally to the contents of the communication, the transactional information, and any attachments associated with such communication. Thus, e-mail messages are similar to other forms of communicated messages, such as correspondence and memoranda.

N.J.S.A. 47:3-16, as amended, defines public records as follows:

“Public records” mean any paper, written or printed book, document or drawing, map or plan, photograph, microfilm, data processed or image processed document, sound recording or in a similar device, or any copy thereof, that has been made or required by law to be received for filing, indexing, or reproducing by any officer, commission agency, or authority of the State or any political subdivision thereof, including any subordinate boards thereof, or that has been received in the course of his/her or its official business by such officer, commission, agency, or authority of the State or of any political subdivision thereof, including subordinate boards thereof, in connection with the transaction of public business and has been retained by such recipient or its successor as evidence of its activities or because of the information contained therein.

An e-mail message that meets the criteria of the definition of public records per N.J.S.A. 47:3-16, as amended, whether it is subject to access by the general public or not, must be retained according to records retention and disposition schedules approved by the State Records Committee. No public record e-mail may be destroyed without prior consent of the NJDARM and the State Records Committee, even if the retention period for a record has expired.

Retention or disposition of e-mail messages must be related to the information they contain or the purpose they serve. The content of e-mail messages may vary considerably and therefore, the content must be evaluated to determine the length of time the message must be retained.

For the purposes of this Policy, there are non-record e-mail messages and public record e-mail messages.

Managing Electronic Mail

Non-record e-mail messages are personal correspondence that do not meet the criteria of public records as per N.J.S.A. 47:3-16, as amended, and may be deleted at any time unless they become part of some official record as a result of a special circumstance. These types of messages may include personal correspondence not received or created in the course of school district business and may be deleted at any time since it is not an official public record. Non-record e-mail messages are also non-governmental publications that are publications, promotional material from vendors, and similar materials that are publicly available to anyone. These e-mail messages are not public records as defined by N.J.S.A. 47:3-16, as amended, unless specifically incorporated into other official public records, and may also be deleted at any time. However, if an e-mail message is used to justify an expenditure or is included in a proposal, the e-mail message becomes an official public record and must be retained according to records retention and disposition schedules in accordance with the appropriate retention schedules.

All public record e-mail messages shall be maintained by the individual who sends the e-mail message and the primary recipient. The sender and primary recipient are encouraged to print a hard copy of a public record e-mail and file the e-mail in school district files for continued access. The district may establish a district-wide system to facilitate public record e-mail management for continued access and retention. All public record e-mails shall be retained according to records retention and disposition schedules approved by the State Records Committee and no public record e-mail may be destroyed without prior consent of the NJDARM and the State Records Committee, even if the retention period for a record has expired.

An e-mail message that meets the criteria of the definition of a “government record” per N.J.S.A. 47:1A-1.1 must be made available to the public upon request under New Jersey’s Open Public Records Act during the required retention period, unless the content of the message falls under one of the exceptions contained in the Act or any other statute, regulation, Executive Order by the Governor, rule of Court, or Federal law, regulation or order.

8320 PERSONNEL RECORDS

The Board of Education believes that the orderly operation of the school district requires the retention of all records bearing upon an employee's qualifications for employment and employment history.

The Board requires that sufficient records be compiled and maintained to demonstrate an employee's qualifications for the position assigned; compliance with federal, state, and local benefit programs; conformity to district rules; the proper conduct of evaluations; and the employee's entitlement, as appropriate, to tenure and seniority.

The Superintendent shall be responsible for the custody and maintenance of personnel records. A single, central file of documents shall be maintained; temporary, subsidiary records will be permitted for ease in data gathering only. An employee's personnel file shall be maintained for six years following his/her termination of district service, provided the employment history record card is maintained a minimum of eighty years.

Records maintained in the personnel files of this district are not public records and are not open to inspection except as provided for in this policy. Board minutes and other public records of this district and any computerized files maintained by this district may include only an employee's name, title, position, assignments, salary, payroll record, length of service in the district and in military service, the date and reason for separation from service in this district, and the amount and type of pension a former employee receives.

Personnel records may be inspected by school administrators to the extent that such inspection is required in the performance of the inspector's duties.

Board members may have access to confidential information in the personnel files of only those employees recommended for or subjected to an employment action requiring a vote of the Board or where access to the information is essential for the performance of the Board member's duties. Board member access to personnel files is limited to the relevant portion of the file and is available only through the Superintendent. Board members may freely inspect employment applications filed by candidates for district positions.

An employee may appeal to the Superintendent the inclusion or exclusion of records or for appropriate administrative review of the accuracy of any record in his/her personnel file.

The Superintendent shall prepare rules enumerating the records to be maintained for each employee of this district, including, as a minimum and as appropriate to the position, the completed application form, employment contract(s), a copy of the employee's qualifying certification, transcripts, report of an employment physical examination, oath of allegiance, criminal background check, income tax forms, retirement registration, hospitalization forms, annuity forms, rate of compensation, attendance record, assignments to positions, completed evaluations, reports of disciplinary incidents, records of special awards or distinctions, and reports of annual or special physical and mental examinations.

8330 PUPIL RECORDS

The Board of Education believes that information about individual pupils must be compiled and maintained in the interest of the pupil's educational welfare and advancement. The Board will strive to balance the pupil's right to privacy against the district's need to collect, retain, and use information about individual pupils and groups of pupils. The Board authorizes the establishment and maintenance of pupil files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and federal law and rules of the State Board of Education.

For purposes of this Policy:

1. "Adult pupil" means a pupil who is at least eighteen years of age, or is attending an institution of postsecondary education, or is an emancipated minor.
2. "Parent" means the natural or adoptive parent, the legal guardian, surrogate parent, or a person acting in place of a parent in accordance with N.J.A.C. 6A:32-2.1. Unless parental rights have been terminated by a court of appropriate jurisdiction, the parent retains all rights under N.J.A.C. 6A:32. "Parent" shall also include, for the purposes of N.J.A.C. 6A:32, the adult pupil. A foster parent may act as a parent under the provisions of N.J.A.C. 6A:32 if the parent's authority to make educational decisions on the pupil's behalf has been terminated by a court of appropriate jurisdiction.

General Considerations

Pupil records shall contain only such information as is relevant to the education of the pupil and is objectively based on the personal observations or knowledge of certified school personnel who originate the record. The district shall notify parents and adult pupils annually in writing of their rights in regard to pupil records and pupil participation in educational, occupational, and military recruitment programs. Copies of the applicable State and federal laws and local policies shall be made available upon request. The district shall make every effort to notify parents and adult pupils in their dominant language.

Nothing in this Policy shall be construed to prohibit certified school personnel, at their discretion, from disclosing pupil records to non-adult pupils or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the pupil or other persons.

No liability shall be attached to any member, officer, or employee of the Board of Education permitting access or furnishing pupil records in accordance with Department of Education rules.

Pupil Information Directory

A pupil information directory is a publication of a school district that includes pupil information as defined in N.J.A.C. 6A:32-2.1. In the event the district publishes information included in the pupil information directory, the Superintendent or designee will inform parents or adult pupils of such publication, and parents or adult pupils will be afforded a ten-day period to submit a written statement to the Superintendent prohibiting the school district from including any and all types of information about the pupil in any pupil information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and P.L. 107-110 sec. 9528, Armed Forces Recruiter Access to Students and Student Recruiting Information of the No Child Left Behind Act of 2001.

School Contact Directory

The district shall compile and maintain, but need not publish, a school contact directory for official use, which is separate and distinct from the pupil information directory. School personnel shall provide information from the school contact directory for official use only to judicial, law enforcement, and medical personnel who are currently providing services to the pupil in question. In order for a parent or adult pupil to exclude any information from the school contact directory for official use, the parent or adult pupil shall notify the Superintendent or designee in writing on a form prescribed by the Commissioner of Education.

Mandated and Permitted Pupil Records

Mandated pupil records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Pupil Records

Permitted pupil records are records authorized by the Board to be collected in order to promote the educational welfare of the pupil. The Board shall authorize the permitted records to be collected by adopting at a regular public Board meeting a resolution listing such permitted records or Regulation 8330, which will list such permitted records.

Maintenance and Security of Pupil Records

The Superintendent or designee shall be responsible for the security of pupil records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual pupil shall be maintained in a central file at the school attended by the pupil. When records are maintained in different locations, a notation in the central file as to where such other records may be found is required.

Pupil health records shall be maintained and located in a locked cabinet or room in the school building or complex where the pupil is assigned. Records kept in electronic form shall be both accessible and secure. Pupil health records shall be maintained separately from other pupil records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the pupil's health record and placed in the pupil's mandated record. Records shall be accessible during the hours in which the school program is in operation.

Security blocks will be installed for records stored in any computer system to protect against any security violations of the records stored therein. To guard against the loss of pupil records, the district shall maintain an updated hard copy and backup versions of pupil records.

Any district internet website shall not disclose any personally identifiable information about a pupil, in accordance with N.J.S.A. 18A:36-35.

Access to Pupil Records

The district shall control access to, disclosure of, and communication regarding information contained in pupil health records to assure access only to those authorized organizations, agencies, and persons under the conditions permitted by federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

Access to and disclosure of a pupil's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

The following authorized organizations, agencies, and persons shall have access to pupil records:

1. The pupil who has the written permission of a parent and the parent of a pupil under the age of eighteen whether or not the child resides with that parent except per N.J.S.A. 9:2-4; the place of residence shall not be disclosed and access shall not be provided if denied by a court.

8431 PREPAREDNESS FOR TOXIC HAZARD

The Board of Education is concerned for the safety of the pupils and staff members assigned to district schools and will take reasonable steps to protect pupils and staff members from hazards that may result from industrial accidents beyond the control of school officials.

The Board will appoint an employee to serve as Toxic Hazard Preparedness (THP) Officer. 8451 CONTROL OF COMMUNICABLE DISEASE

The Board of Education recognizes that control of the spread of communicable disease is essential to the well-being of the school community and to the efficient operation of the schools.

The Board shall be bound by the statutes and by rules of the State Board of Education for the exclusion and readmission of pupils who have contracted a communicable disease and of teachers and pupils who have been exposed to a communicable disease and for the instruction of teachers in health and the prevention of disease. The Board shall comply with regulations of the New Jersey Department of Health and the Morris County Board of Health governing the prevention, control, and reporting of communicable disease.

"AIDS" means a condition affecting a person who has a reliably diagnosed disease that meets the criteria for AIDS specified by the Center for Disease Control of the United States Public Health Services. "HIV infection" means infection with the human immunodeficiency virus or any other related virus identified as a probable causative agent of AIDS. Laboratory results indicative of infection with HIV shall mean laboratory results showing the presence of HIV or components of HIV, or laboratory results showing the presence of antibodies to HIV, or results from laboratory tests conducted to measure the presence of HIV RNA (viral load tests), such as quantitative PCR tests.

AIDS or HIV infection shall not be considered a communicable disease for purposes of admission to or attendance in a school or for eligibility for educational transportation.

It is not required that anyone in the school be especially notified that an HIV-infected pupil or employee is present. In the event the school nurse or a school official is apprised that a pupil or employee is HIV-infected, the fact of the infection will be held in strict confidence and will not be classified as a communicable disease for admission, local health reporting or educational transportation.

Information that identifies a pupil as having an HIV infection or AIDS shall be shared only with prior written informed consent of the pupil age twelve or greater, or of the pupil's parent(s)/legal guardian(s) as required by N.J.S.A. 26:5C-1 et seq. and only for the purpose of determining an appropriate educational program for the pupil. Hate Crimes and Bias-Related Acts

M

8465 HATE CRIMES AND BIAS-RELATED ACTS

The Board of Education is committed to providing a safe and healthy environment for all children in the school district. Hate crimes and bias-related acts involving pupils can lead to further violence and retaliation. Hate crimes and bias-related acts, by their nature are confrontational, inflame tensions, and promote social hostility and will not be tolerated by the school district. The school district employees will work closely with local law enforcement and the county prosecutor's office to report or eliminate the commission of hate crimes and bias-related acts.

Definitions

A "hate crime" is any criminal offense where the person or persons committing the offense acted with a purpose to intimidate an individual or group of individuals because of race, color, disability, religion, sexual orientation, or ethnicity.

A "bias-related act" is an act directed at a person, group of persons, private property, or public property that is motivated in whole or part by racial, gender, disability, religion or sexual orientation, or ethnic prejudice. A bias-related act need not involve conduct that constitutes a criminal offense. All hate crimes are also bias-related acts, but not all bias-related acts will constitute a hate crime.

Required Actions

Whenever any school employee in the course of his/her employment develops reason to believe that (1) a hate crime has been committed or is about to be committed on school property, or has been or is about to be committed by any pupil, whether on or off school property and whether or not such offense was or is about to be committed during operating school hours, or (2) a pupil enrolled in the school has been or is about to become the victim of a hate crime, whether committed on or off school property or during operating school hours, the school employee shall immediately notify the Building Principal and Superintendent, who in turn shall notify the Rockaway Borough Police Department and Bias Investigation Officer for the county prosecutor's office. The Principal shall notify the Rockaway Borough Police Department and the county prosecutor's office immediately if there is reason to believe that a hate crime that involves an act of violence has been or is about to be physically committed against a pupil or there is otherwise reason to believe that a life has been or will be threatened.

Hate Crimes and Bias-Related Acts

Whenever any school employee in the course of his/her employment has reason to believe that a bias-related act has been committed or is about to be committed on school property, or has been or is about to be committed by any pupil, whether on or off school property and whether or not such bias-related act was or is to be committed during operating school hours, the school employee should immediately notify the Building Principal and Superintendent, who in turn should promptly notify the Rockaway Borough Police Department.

In deciding whether to refer the matter of a bias-related act to the Rockaway Borough Police Department or the county prosecutor's office, the Building Principal and the Superintendent, should consider the nature and seriousness of the conduct and the risk that the conduct posed to the health, safety and well-being of any pupil, school employee or member of the general public. The Building Principal and Superintendent should also consider the possibility that the suspected bias-related act could escalate or result in some form of retaliation which might occur within or outside school property.

It is understood a referral to the Rockaway Borough Police Department or county prosecutor's office is only a transmittal of information that might be pertinent to a law enforcement investigation and is not an accusation or formal charge.

Unless the Rockaway Borough Police Department or the county prosecutor's office request otherwise, the school district may continue to investigate a suspected hate crime or bias-related act occurring on school property and may take such actions as necessary and appropriate to redress and remediate any such acts.

School officials will secure and preserve any such graffiti or other evidence of a suspected hate crime or bias-related act pending the arrival of the Rockaway Borough Police Department or the county prosecutor's office. The school officials, when feasible, will cover or conceal such evidence until the arrival of the Rockaway Borough Police Department or county prosecutor's office.

8506 SCHOOL LUNCH PROGRAM BIOSECURITY PLAN

The Board of Education is committed to protecting the health of the children and adults in school buildings by strengthening the safety of foodservice operations. Therefore, the Board requires the creation and implementation of a School Lunch Program Biosecurity Plan that will keep school meals free from intentional contamination and enable the foodservice to respond to threats or incidents of bioterrorism.

The Plan shall describe strategies for preventing threats and incidents of product tampering and food contamination. The Plan shall also include appropriate response actions to be taken should an incident occur. There may be a general Plan for all the schools in the district; however, the Plan will address the specific roles and responsibilities for individual schools or locations where food is served.

The School Lunch Program Biosecurity Plan shall be prepared, revised, and updated in accordance with the requirements of N.J.A.C. 2:36-1.13 - Biosecurity for School Food Service and the U.S. Department of Agriculture, "A Biosecurity Checklist for School Food Service Programs," March 2004 version, as amended and supplemented, as New Jersey's Biosecurity Policy for Child Nutrition Programs.

Pupil Supervision After School Dismissal

M

8601 PUPIL SUPERVISION AFTER SCHOOL DISMISSAL

The Board of Education adopts this Pupil Supervision After School Dismissal Policy as a result of the New Jersey Supreme Court's decision in *Joseph Jerkins, an infant by his Guardian Ad Litem, Charles Jerkins; Charles Jerkins and Toni Jerkins, individually, v. Soweto Anderson; Kemba N. Anderson; John Does 1-10 (fictitious individuals) and ABC Corporations 1-10 (fictitious entities), and Board of Education of Pleasantville Public Schools and Rosemay Clarke*.

The New Jersey Supreme Court, in *Jerkins*, indicated dangers exist for younger pupils at dismissal as children are susceptible to numerous risks, including negligent conduct, when leaving school property. Because of these risks, the Board of Education adopts and requires the implementation of Policy 8601 for the supervision of younger pupils after dismissal. The supervision provisions of Policy Guide 8601 are applicable to parents or legal guardians of pupils attending district-operated schools or programs in grades Pre-K to Eight who are not eligible for district-provided transportation after dismissal or are eligible and elect not to use district-provided transportation after dismissal.

Any parent(s) or legal guardian(s) of a pupil attending a district-operated school or program in grades **Pre-K** to Eight, where the pupil is not eligible for district-provided transportation or is eligible and elects not to use district-provided transportation after dismissal may request the school or program not release the pupil to walk home after dismissal unless the pupil is released to the parent(s) or legal guardian(s) or escort(s) designated by the parent(s) or legal guardian(s). The parent(s) or legal guardian(s) requesting their child(ren) only be released to a parent(s) or legal guardian(s) or parent(s) or legal guardian(s)-designated escort after dismissal must submit a completed Request for Supervision at Dismissal from School Form to the Principal or designee, or program administrator.

Only those parents or legal guardians requesting the school or program not release their child(ren) to walk home after school dismissal unless the child(ren) is released to the parent(s) or legal guardian(s) or designated escort need to complete the Request Form.

In order for the school administration to effectively implement the requirements of this Policy and to ensure the safety and security of pupils that will be released to a parent(s) or legal guardian(s) or designated escort, the parental request shall be applicable for every school day and shall apply for a duration period of the entire school year. The Request Form must be re-submitted at the end of the duration period. In addition, a parent(s) or legal guardian(s) may rescind their Request by submitting a written request to the Principal or program administrator indicating the date in which the parent(s) or legal guardian(s) no longer requests the school provide supervision of their child(ren) after school dismissal. The child(ren) will be dismissed in accordance with typical dismissal protocol effective the date indicated in the rescinding request.

The Principal or designee, or program administrator upon receiving the Request for Supervision at Dismissal from School Form, shall notify the appropriate school staff member(s) who has supervision of the pupil at dismissal time at the end of the school day of the parent's or legal guardian's request. The supervising staff member that receives such notice shall retain supervision of the pupil when other pupils are dismissed from school at the end of the school day.

Pupil Supervision After School Dismissal

Each Principal or program administrator will develop and implement a written Pupil Supervision After School Dismissal Plan for their school building or program location. This Plan shall include the school building's or program's supervision procedures for pupils at the end of the school day to the designated area in the school building or program and the location of the designated area in the school building or program. The Plan shall be based on the school's or program's ability to provide supervision, the accessibility for the parent(s) or legal guardian(s) or designated escort to pick-up the child without disrupting dismissal of the remaining school population, and other considerations unique to the school building or program location. The school's or program's Pupil Supervision After School Dismissal Plan shall be provided to all parent(s) or legal guardian(s) that have submitted a Request Form.

In the event the parent(s) or legal guardian(s) or designated escort does not arrive to pick up their child(ren) after the dismissal time of school, the Principal or designee will attempt to contact the parent(s) or legal guardian(s) using the district's emergency call procedures.

The pupil(s) shall be supervised by school staff in the designated area of the building and will only be released when the parent(s) or legal guardian(s) or designated escort arrives to pick up the pupil.

In order to ensure the safety of other pupils being dismissed from school in accordance with typical school dismissal protocol, to limit interaction of parent(s) or legal guardian(s) or designated escorts with other pupils within the building, and to avoid traffic and vehicular safety problems outside the school building, the Principal or program administrator may prohibit the parent(s) or legal guardian(s) or designated escort from entering the school building until a time period after school has dismissed or until school buses and other vehicular traffic have cleared the school site.

This determination shall be made by each Principal or program administrator after considering the unique circumstances at the school building and the building's typical dismissal protocol.

Pupil Supervision After School Dismissal

In the event of an emergency such that, when an unforeseen event prevents a parent(s) or legal guardian(s) or designated escort from arriving for the child(ren) at dismissal within the time period designated by the Principal or program administrator, the pupil will remain under the supervision of the after-school program until the parent(s) or legal guardian(s) or designated escort arrives and signs the pupil out of school. In this circumstance, the parent(s) or legal guardian(s) may be subject to after-school program fees if it is determined by the Principal or program administrator the frequency of emergencies causing the parent(s) or legal guardian(s) or designated escort to be delayed in picking-up the pupil is excessive.

The school will provide parent(s) or legal guardian(s) information regarding any supervised after-school services, if any, that may be available to pupils at the school's facilities after formal school dismissal.

This Policy shall be published in pupil/school handbooks. In addition, the school district shall provide to parent(s) or legal guardian(s) in the beginning of the school year, the school's calendar to include the starting and dismissal times for full session, half-session, and early dismissal days due to weather or other emergencies. Parent(s) or legal guardian(s) shall be required to return to the school a signed acknowledgement of receipt of the pupil/school handbook, which shall include this Policy and the school calendar. Pupil transportation vehicles and school buses will have time periods during the day between scheduled bus routes when they are not in use. These time periods may vary from route to route and vehicle to vehicle depending on issues such as a school's opening and ending times and the location of pupils transported to and from the school. Based on scheduling issues and the amount of time between transportation routes, the school bus driver may be required to return the school vehicle/bus to the school district transportation facility during the school day. In the event the schedule does not provide adequate time or it is not practical for the vehicle/bus to be returned to the school district's transportation facility between routes during the school day, the school bus driver may be required to park the vehicle/bus at another school building or location in the school district designated by the Superintendent.

If the transportation route is for pupil transportation to and from a school building out-of-district, the driver may be required to return the transportation vehicle/bus to the district's transportation facility or to a school building or location designated by the Superintendent for the time period between routes. In the event there is not adequate time or it is not practical for a vehicle/bus to return to the school district between out-of-district transportation routes, the Superintendent will authorize the vehicle/bus remain at an approved location between such routes. The Superintendent, in consultation with the driver and the out-of-district school, will designate a location for the driver to maintain the vehicle/bus in between the scheduled routes.

The safety and security of the transportation staff and the school vehicle/bus will be the most important consideration in designating an out-of-district location for vehicles that may not return to the transportation facility during the school day.

Religious Holidays

8810 RELIGIOUS HOLIDAYS

The Board of Education recognizes the acknowledgment of religious holidays in the public school may be a source of community concern. It is a goal of the district educational program to teach mutual understanding and brotherhood and respect for group differences. In pursuing this goal, the educational program may recognize that various religious groups celebrate different holidays with different practices.

In the acknowledgment or observance of any religious holiday, the Superintendent shall ensure the school and/or school officials do not mandate, organize, participate in an official capacity, endorse, persuade, compel, prevent or deny participation in constitutionally protected prayer or religion in violation of the governing principles of the First Amendment of the United States Constitution. Consistent with these principles, the Superintendent shall ensure:

1. No worship or religious service of any kind is sponsored by the school district and conducted during the school day, whether or not conducted by a clergyman;
2. Religious exhibits or displays include only materials that are a necessary or integral part of the curriculum;
3. Any religious music played is selected primarily for its artistic content; and
4. Any acknowledgment of a religious holiday neither advances nor inhibits any particular religious sect or religion consistent with the governing principles of the First Amendment of the United States Constitution.

Memorials

8860 MEMORIALS

The Board of Education recognizes that each officer and employee of this district is important not only to the school district but to the community at large. The loss of any officer or employee of this Board by death is a loss that the Board and the district share with the community.

In order to memorialize that loss in a fitting manner, the Board directs that, whenever notice is received of the death of a current Board member or a person currently employed by the Board, the flag of the United States at each school district building shall be flown at half mast for one school day. Written notice shall be posted in an appropriate manner in each district building on that day in order that pupils, staff members, and visitors are informed of the purpose of the memorialization.

The Superintendent may, in his/her discretion, grant an employee of this district a brief absence without loss of pay or personal leave for the purpose of attending the funeral of his/her direct supervisor or subordinate provided that no disruption in the educational program will be caused by any such absence.

The Superintendent shall recommend to the Board and the Board may approve appropriate recognition measures beyond those provided for in this policy when the deceased Board officer or employee has, by length of service or extraordinary accomplishment, especially distinguished his/her service to this school district.
