David Waxman
Principal

November 2020

Dear Thomas Jefferson School Families,

I hope this letter finds everyone doing well, staying safe and healthy. This communication is to inform you that beginning on November 11th, we will be sharing OnCourse login and password information to all students so that they can access their own OnCourse accounts. This login and password information will differ from that which parents use so students will only have access to their schedules and grades. They will not have access to other confidential information. All students will receive this information in the upcoming days. Ms. Selikoff will be reviewing this information with all students over the next 6 day cycle, in her Technology classes. She will also be talking to our students about the responsibility and importance of their work and keeping up with their progress in school. Teachers will still keep in communication with parents and students on progress, but we hope this helps to add another layer of communication of progress with students and parents.

Warm Regards,

David
