Dear Fellow Articulation Members:

We are excited to have the Class of 2025 join our district. As discussed in the School Counseling and Principal's Articulation Meetings, in preparation of 8th grade students' transition to our schools, below you will find all information you need to share with them:

- [The Virtual Morris Hills District 8th Grade Orientation Program](#) - this 9th grade course offerings and information interactive magazine includes videos from curriculum supervisors and teachers explaining the various course options open to incoming ninth graders
- [MHRD Online Registration flyer](#) - this flyer provides information to our [new secure registration platform](#) with pertinent information. It opens **January 4th**. Parents/Guardians of each student entering Morris Hills or Morris Knolls in the fall of 2021 will be required to complete this registration online with current proof of residency.
- [2021-2022 Freshman Course Selection Sheet](#) - for scheduling process, we ask the final completed forms be sent to our respective School Counseling Offices by **Monday, February 1st**.

We are scheduled to send, via postal mail using the mailing labels provided through our Articulation Committee, our Registration Letter for the fall of 2021 with welcome letters from our MH/MK Principals. Lastly, the week of January 4th, we will follow up with links to our Virtual Morris Hills and Morris Knolls AP/Elective Fairs that you can share with your students and your staff.

As always feel free to contact us if you have any questions.

We wish you all a safe and healthy holiday season.

Sincerely,
