The new school year is here and we are off to a great start. We are still using the K12 Alerts phone system to notify parents and staff of emergencies and pertinent information regarding our district. With this system, you are required to input the phone numbers you would like to receive calls on. If you do not input your information, we will not be able to reach you by phone.

While we encourage you to update your information any time you change a contact telephone number or email address, it is extremely important that you input your information as soon as possible.

To change your information, go to:

<http://www.k12alerts.com/portal/rockawayborough/>

Thank you for your prompt attention to this matter.
